

# Chapter 4

Learning about most recent filters on Chrome has allowed to me to get the most up-to-date information on whatever I have a query for. I was not aware previously that you can filter by date and time, location, and many others.

Copyright has a huge place on the Internet and not understanding it enough can get you in trouble. This section mentions the definition of intellectual property and that working in conjunction with Fair Use. Learning about the 4 factors that are used in determining fair use has broaden my perspective.
